Gladiolus Bulbs

*Bargain Prices*

*for November*

*and December*

*Delivery Only*

NORTH RIVER FARMS

Marshfield, Mass.

We have a large part of our stock of Gladiolus bulbs already dug, and we are going to have many more than we wish to store over winter. Therefore we are again offering a large number of varieties at such low prices that it will pay you to store the bulbs until planting time. Our bulbs are clean and plump.

Storing and caring for Gladiolus bulbs over winter is as easy as storing and keeping potatoes. Simply keep them in a cool, dry place, being sure that the temperature never goes below freezing. That is all there is to it, and when planting time comes your bulbs are ready, and you avoid the Spring rush which sometimes causes annoyance.

This sale ends and all prices are withdrawn December 15, 1926.

These prices are for bulbs 1  $\frac{1}{4}$ " up, and include free delivery. If desired, two half-sized bulbs will be furnished for the price of one large bulb.

We guarantee our stock to be true to name, but only to the extent that we will replace, free of charge, any bulbs found to be otherwise.

All stock offered subject to prior sale. If we are sold out of large bulbs, we reserve the right to substitute a larger number of smaller bulbs, or, in the case of small quantities, another variety of equal or greater value, unless instructed not to do so.

Our illustrated annual catalog will be sent you about January 1. It will not contain many of the varieties listed here.

Our wholesale price list is now ready, and will be sent on application if you desire to purchase larger quantities.
